SOFT1 PLASTER DISPENSER

Always at hand

Efficient dispenser for SOFT1 plaster:

- **EASILY ACCESSIBLE**
- **EFFORTLESS CUTTING**
- **QUICK USE**

EFFORTLESS, EASY AND ACCESSIBLE

Keep the SOFT1 Plaster dispenser close to your workplace for fast and reliable help for cuts and wounds. The dispenser is easy to mount, is highly visible and easy to refill. SOFT1 bandage protects the wound, stops the bleeding, can be used on wet hands and keeps debris away.

*Transparent inner lid protects the SOFT1.
The transparent lid makes it easy to see
when to refill the dispenser.*

- **Store the bandage clean, visible and accessible.**
- **Easy to mount**
- **Easy to refill**
